CASE'S RESPONSE TO STANSFIELD'S PRESS RELEASE
RELATING TO THEIR APPLICATION TO THE HIGH COURT
UNDER ORDER 14

Stansfield's application to the High Court under Order 14 of the Rules of Court raises no fundamental new issue. CASE continues to believe in the strength of its defence and will continue to argue and defend its position robustly before the Court. Together with our lawyers from Drew & Napier LLC, CASE will defend this application vigorously just as it is defending the present claim brought by Stansfield College.

CASE finds it peculiar that Stansfield College is apparently seeking to litigate this dispute not only before the Court, but also in the media. On our part, CASE is confident that the application will be dealt with appropriately by the Court and that the judicial process will result in a fair and just adjudication of the matter.
